How to Apply for the RMPG Grant: A Step-by-Step Guide

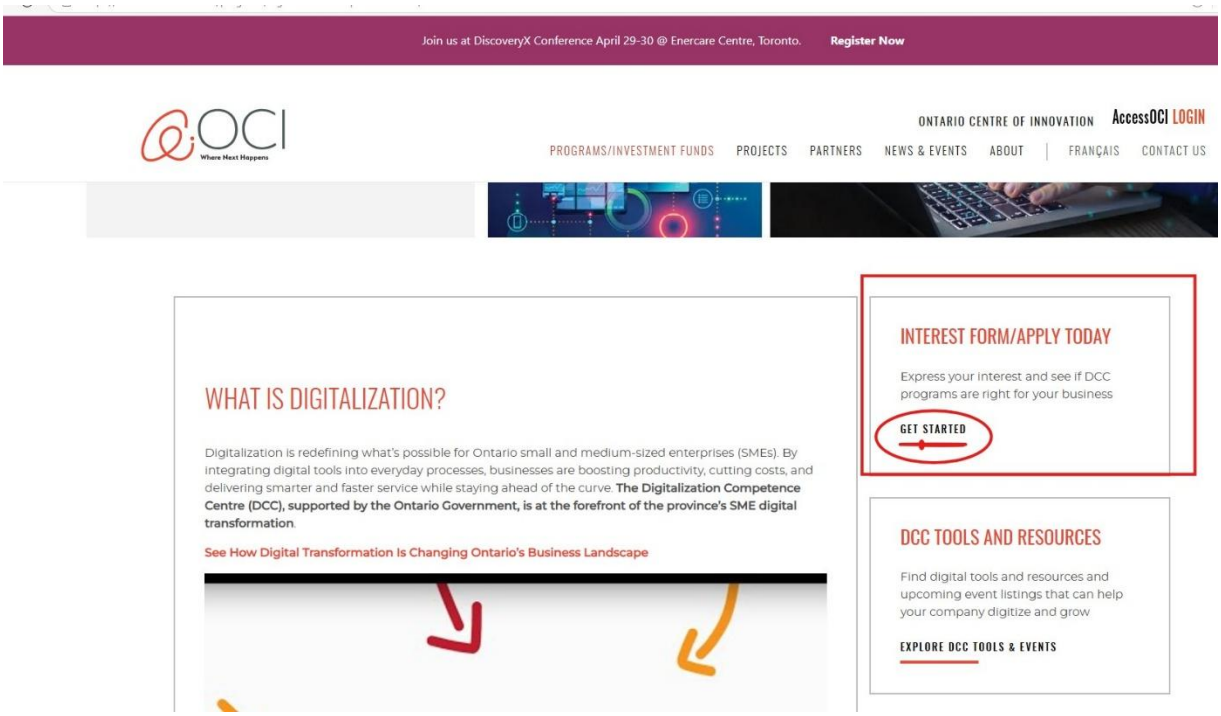
Businesses can apply for the Retail Modernization Project Grant (RMPG) via the Digitization Competence Centre, delivered through the Ontario Centre of Innovation.

Step 1: Go to the official DCC webpage

- Click on this link: https://www.oc-innovation.ca/programs/digitalization-competence-centre/

Step 2: Access the Interest Form/Apply Today section

- Click on the button that says “Get Started” or click on the link: https://oce.formstack.com/forms/intake_form

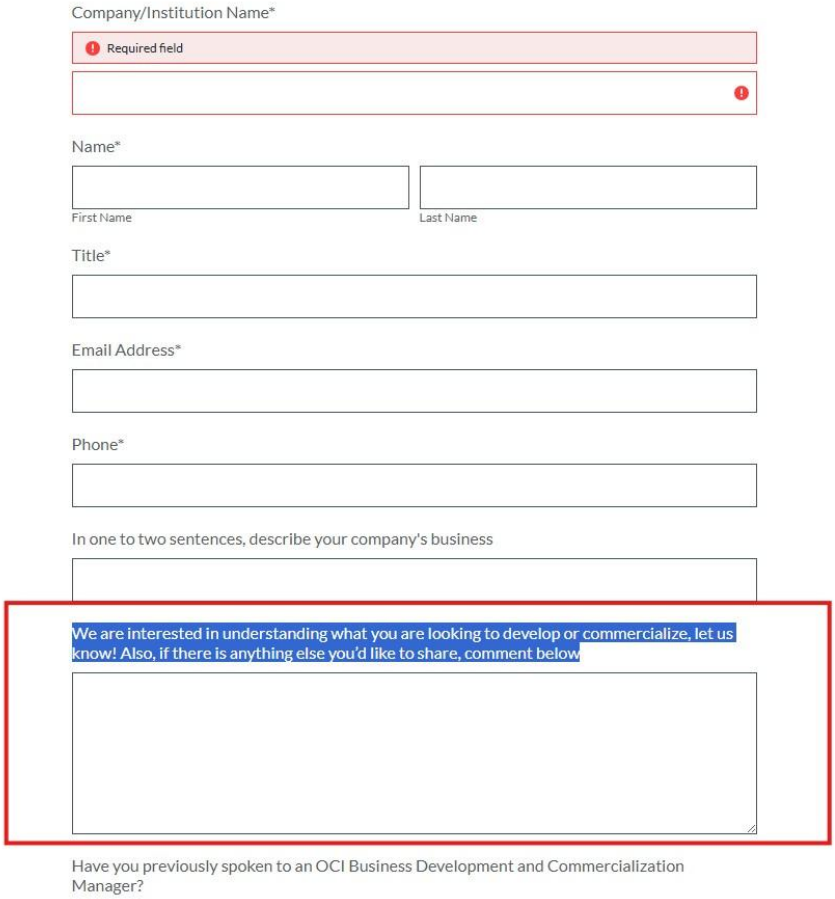


- This will take you to the Company Intake Form

Step 3: Fill out the Intake Form

- Provide the required business information

- Explain Your Development Goal

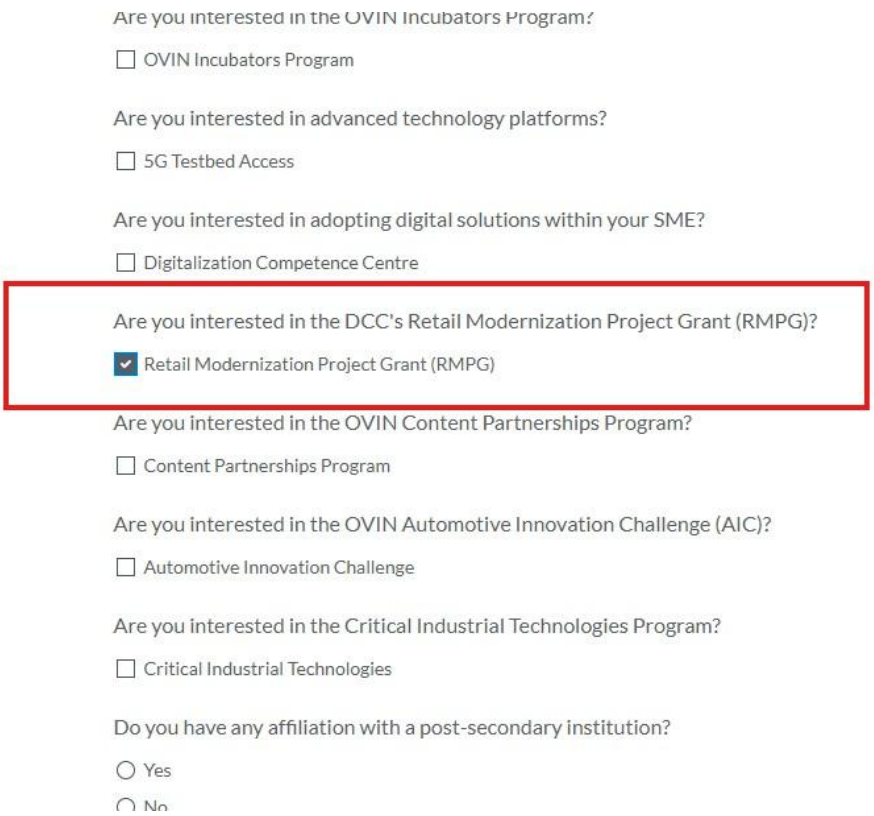


In the section asking: “What are you looking to develop?”, describe your modernization goals.

Example: “I’m looking to upgrade my retail operation by adopting a digital POS system and building an online ordering platform.”

Step 4: Indicate the funding stream you are applying for

Scroll down and check the box for “Retail Modernization Program Grant (RMPG)” to indicate the funding stream you are applying for.



Step 6: Submit the Form

- Review your information carefully.
- Hit “Submit” to send your application to OCI.

What Happens Next?

- OCI will contact you to guide you through the next steps
